“Agape” a Greek word and it means selfless, unconditional love.

2018 Social Mission Conference:
‘Whole of Me, All of Us, One in Christ’
Integral Human Development
AGAPE VILLAGE – An Integrated social service hub

✓ Co-located 14 Caritas Singapore’s member organisations
✓ Serving all races, religions, nationalities and issues

Provide Holistic Care through Integrated Case Management
MISSION
The Agape Village community, living the Catholic Social Teaching, will provide holistic and integrated care to the poor, marginalized and those limited by their circumstances, in a manner that upholds dignity so they can draw upon their own strengths to improve their lives.

VISION
To be a welcoming Catholic community which empowers all people to live a life of hope and dignity.
SHARE-A-POT @ AGAPE VILLAGE

A community-based programme for vulnerable elderly, aimed to improve the physical, cognitive and social well-being.
Improving Personal Health

Family Service Centre (FSC) and Social Service Office (SSO)

Empowering Families Out of Poverty Project
What has driven the outcomes achieved by the MOs:

- Having a integrated social service hub has allowed (co-programming & co-location)

- Increased awareness of AV & MOs’ programmes & services through various channels of publicity and community outreach events & activities
