Caritas Singapore Community Council Limited

Directors' statement

The directors are pleased to present their statement to the members together with the audited financial statements of Caritas Singapore Community Council Limited (the "Council") for the financial year ended 30 September 2018.

Opinion of the directors

In the opinion of the directors,

- (i) the accompanying statements of financial activities, balance sheet, statement of changes in funds and cash flow statement together with the notes thereto are drawn up so as to give a true and fair view of the financial position of the Council as at 30 September 2018, and the financial performance, changes in funds and cash flows of the Council for the financial year ended on that date, and
- (ii) at the date of this statement, there are reasonable grounds to believe that the Council will be able to pay its debts as and when they fall due.

Directors

The directors of the Council in office at the date of this statement are:

Janet Ang	(Chairman)
Anthony Soo	(Deputy Chairman)
Alan Lim	
Benedict Cheong	
Fr. Christopher Soh, SJ	
Friar John-Paul Tan, OFM	
Jane Foo	
Jeremy Khoo	
Joachim Toh	
Paul Beh	
Rev. Monsignor Ambrose Vaz	
Sabrina Soh	
Sr Maria Lau, IJS	
Tan Cheng Han	
Teo Jin Lee	
Mark Tang	
Pius Lee	

Arrangements to enable directors to acquire shares and debentures

The Council is a company limited by guarantee and has no share capital. None of the Directors holding office at the end of the financial year had an interest in the share capital of the Council that is required to be reported pursuant to Section 201(6)(f) of the Singapore Companies Act, Chapter 50.

Directors' interests in shares and debentures

The Council is a company limited by guarantee.

There were no shares or debentures in issue in the Council at the end of the financial year.

Caritas Singapore Community Council Limited

Directors' statement

Options

The Council is a company limited by guarantee. As such, there are no share options or unissued shares under option.

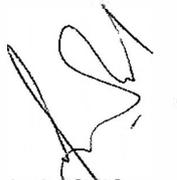

Auditors

Ernst & Young LLP have expressed their willingness to accept re-appointment as auditors.

Independent auditor's report For the financial year ended 30 September 2018

Independent auditor's report to the members of Caritas Singapore Community Council Limited

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of Caritas Singapore Community Council Limited (the "Council"), which comprise the balance sheet as at 30 September 2018, the statement of financial activities, statement of changes in funds and statement of cash flows for the reporting year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Act), the Charities Act and Singapore Financial Reporting Standards so as to give a true and fair view of the financial position of the Council as at 30 September 2018 and of the financial performance, changes in funds and cash flows of the Council for the financial year ended on that date.

Basis for opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Council in accordance with the Accounting and Corporate Regulatory Authority (AGRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (AGRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the AGRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for other information. The other information comprises Directors' statement set out on pages 1 to 2 and the information included in the annual report, but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions in accordance with SSAs.

Caritas Singapore Community Council Limited

Independent auditor's report For the financial year ended 30 September 2018

Independent auditor's report to the members of Caritas Singapore Community Council Limited

Responsibilities of management and directors for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Council's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.

Caritas Singapore Community Council Limited

**Independent auditor's report
For the financial year ended 30 September 2018**

Independent auditor's report to the members of Caritas Singapore Community Council Limited

Auditor's responsibilities for the audit of the financial statements (cont'd)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

In our opinion, the accounting and other records required by the Act to be kept by the Council have been properly kept in accordance with the provisions of the Act.

During the course of our audit, nothing has come to our attention that causes us to believe that during the financial year:

- (a) The use of the donation money was not in accordance with the objectives of the Council as required under regulation 11 of the Charities (Institutions of a Public Character Regulations); and
- (b) The Council has not complied with the requirements of Regulation 15 (Fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.

Caritas Singapore Community Council Limited

Notes to the financial statements For the financial year ended 30 September 2018

1. General information

Caritas Singapore Community Council Limited (the "Council") is a company limited by guarantee and registered charity under the Singapore Companies Act, Cap. 50. The Council was initially registered as the Catholic Social and Community Council Limited under the Charities Act, Chapter 37, in Singapore (Registration No: 02022). On 26 August 2008, it formally changed its name to Caritas Singapore Community Council Limited. The registered office is at 55 Waterloo Street, #08-01, Catholic Welfare Centre, Singapore 187954.

The Council has established the CSCC Agape Fund (Agape Fund), a trust fund governed by a board of ten trustees. The fund was also registered under the Charities Act, Chapter 37, in Singapore (Unique Entity No: T06CC2001 K). The objectives of the fund are in line with that of the Council.

The principal activities of the Council are to provide the overall leadership to the various charitable organisations under the Archdiocese which assist in the relief of poverty and provide support to needy beneficiaries regardless of age, sex, nationality, religion or moral character. The Council is the official social and community arm of the Archdiocese to fulfil the Church's social mission for the benefit of the broader community.

2. Summary of significant accounting policies

2.1 Basis of preparation

The financial statements of the Council have been prepared in accordance with Singapore Financial Reporting Standards ("FRSs"). They are also subjected to the provisions of the Charities Act, Cap. 37 and of the Singapore Companies Act, Chapter 50.

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (SGD or\$).

2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Council has adopted all the new and revised standards which are effective for annual financial periods beginning on or after 1 October 2017. The adoption of these standards did not have any effect on the financial performance or position of the Council.

Caritas Singapore Community Council Limited

Notes to the financial statements For the financial year ended 30 September 2018

2. Summary of significant accounting policies (cont'd)

2.3 Standards issued but not yet effective

The Council has not adopted the following standards that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
FRS 109 <i>Financial Instruments</i>	1 January 2018
FRS 115 <i>Revenue from Contracts with Customers</i>	1 January 2018
Amendments to FRS 115 <i>Clarifications to FRS 115 Revenue from Contracts with Customers</i>	1 January 2018
Amendments to FRS 102 <i>Classification and Measurement of Share-based Payment Transactions</i>	1 January 2018
Amendments to FRS 40 <i>Transfers of Investment Property</i>	1 January 2018
Amendments to FRS 104 <i>Applying FRS 109 Financial Instruments with FRS 104 Insurance Contracts</i>	1 January 2018
Improvements to FRSs (December 2016)	
Amendments to FRS 101 <i>First-Time Adoption of Financial Reporting Standards</i>	1 January 2018
Amendments to FRS 112 <i>Disclosure of Interests in Other Entities</i>	1 January 2017
Amendments to FRS 28 <i>Investments in Associates and Joint Ventures</i>	1 January 2018
FRS 116 <i>Leases</i>	1 January 2019
Amendments to FRS 110 and FRS 28 <i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	To be determined

Except for FRS 116, the directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of FRS 116 are described below.

FRS 116 Leases

FRS 116 requires lessees to recognise most leases on balance sheets to reflect the rights to use the leased assets and the associated obligations for lease payments as well as the corresponding interest expense and depreciation charges. The standard includes two recognition exemption for lessees - leases of 'low value' assets and short-term leases. The new standard is effective for annual periods beginning on or after 1 January 2019.

The Council is currently assessing the impact of the new standard and plans to adopt the new standard on the required effective date. The Council expects the adoption of the new standard will result in increase in total assets and total liabilities and gearing ratio.

Caritas Singapore Community Council Limited

Notes to the financial statements

For the financial year ended 30 September 2018

2. Summary of significant accounting policies (cont'd)

2.4 *Functional currency*

The Council has determined the currency of the primary economic environment in which the Council operates i.e. functional currency, to be SGD. Incoming resources and resources expended are primarily influenced by fluctuations in SGD.

2.5 *Property, plant and equipment*

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

When significant parts of property, plant and equipment are required to be replaced in intervals, the Council recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

	Years
Computer equipment and software	- 1
Donated assets	- 1
Office equipment and furniture	- 5
Leasehold improvements	- 10 - 28
Agape Village Building	- 26

Agape Village Building was completed end June 2015 and obtained Temporary Occupation Permit on 24 July 2015 and is depreciated over the life of lease of the land.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in the statement of financial activities in the year the asset is derecognised.

2. Summary of significant accounting policies (cont'd)

2.5 *Property, plant and equipment (cont'd)*

There are no items of property, plant and equipment acquired in full or in part from the proceeds of a grant.

Where functional items of property, plant and equipment have been donated, they are included in the balance sheet at their fair value at the date of the gift and also included in the statement of financial activities as an incoming resource.

2.6 *Impairment of non-financial assets*

The Council assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Council makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in the statement of financial activities.

2. Summary of significant accounting policies (cont'd)

2.7 Financial instruments

(a) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Council becomes a party to the contractual provisions of the financial instrument. The Council determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

De-recognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss is recognised in statement of financial activities.

(b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Council becomes a party to the contractual provisions of the financial instrument. The Council determines the classification of its financial liabilities at initial recognition.

All financial liabilities are initially recognised at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

2. Summary of significant accounting policies (cont'd)

2.7 Financial instruments (cont'd)

(b) Financial liabilities (cont'd)

Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in the statement of financial activities when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different term, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability, and the difference in the respective carrying amounts is recognised in statement of financial activities.

2.8 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

2.9 Provisions

Provisions are recognised when the Council has a present obligation (legal or constructive) where, as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.10 Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Government grants shall be recognised in the statement of financial activities on a systematic basis over the periods in which the Council recognises as expenses the related costs for which the grants are intended to compensate.

2. Summary of significant accounting policies (cont'd)

2.11 *Deferred income*

Income received is recognised at fair value where there is reasonable assurance that the income will be received and all attaching conditions will be complied with. Income received in advance or subject to donor-imposed conditions that specify a future time period in which the expenditure of corresponding resources can take place is recorded as deferred income.

2.12 *Employee benefits*

(a) *Defined contribution plans*

The Council participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Council makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

(b) *Employee leave entitlement*

Employee entitlements to annual leave are recognised when they accrue to employees. The estimated liability for leave is recognised for services rendered by employees up to the end of the reporting period.

2.13 *Leases*

(a) *As lessee*

Finance leases which transfer to the Council substantially all the risks and rewards incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Any initial direct costs are also added to the amount capitalised. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit or loss. Contingent rents, if any, are charged as expenses in the periods in which they are incurred.

Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term, if there is no reasonable certainty that the Council will obtain ownership by the end of the lease term.

(b) *As lessor*

Leases in which the Council does not transfer substantially all the risks and rewards of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same bases as rental

2. Summary of significant accounting policies (cont'd)

2.14 *Incoming resources from generated funds*

All incoming resources are recognised to the extent that it is probable that the economic benefits will flow to the Council and the amount can be reliably measured. No amounts are included for services donated by volunteers. Incoming resources from generated funds comprise:

Voluntary income

(a) Donations

Such income is recognised when received. Income received is recognised at fair value where there is reasonable assurance that the income will be received and all attaching conditions will be complied with. All income is demarcated between the Council's General Fund and the Agape Fund. The Agape Fund is registered as an IPC and thus donations requiring tax exemption are credited into the Agape Fund. Non tax-exempt donations are credited to the General Fund.

(b) Membership subscriptions

Such income is recognised on an accrual basis over the life of the subscriptions.

(c) Gifts-in-kind

Gifts-in-kind are recognised based on an estimate of the fair value at the date of the receipt of the donation of the non-monetary asset or the grant of a right to a monetary asset. The donation is recognised if the amount of the gift can be measured reliably and there is no uncertainty that it will be received.

Activities for generating funds

Proceeds from such activities are recognised in the period in which the event takes place. Any sales of merchandise are accounted for when the transaction occurs.

Interest income

Interest income is accounted for on accrual basis using the effective interest method.

2.15 *Incoming resources from charitable activities*

This income arises from activities such as talks, seminars and conferences undertaken by the Council in furtherance of its charitable objectives. Proceeds from such activities are recognised in the period in which the event takes place.

2. Summary of significant accounting policies (cont'd)

2.16 Resources expended

Expenditure is accounted for on accrual basis. Allocations of support costs are based on payroll costs of time spent by staff, or direct expenditure and activity levels, as appropriate. Resources expended comprise:

Costs of generating voluntary income

The costs of generating voluntary income are those costs attributable to generating income for the Council, including salaries and directly attributable overheads such as the costs of producing advertising and direct mail materials.

Costs of activities for generating funds

These costs include the direct cost of hosting such activities and all directly attributable overheads. No value is ascribed to goods donated for re-sale or for auction.

Costs of charitable activities

The charitable activities of the Council flow from its vision and purpose. The primary charitable activities are grants given to member organisations to part finance their operational expenditure and programmes and also to parishes to fund charitable projects which are directed to the poor and those in need in the community.

The Council's charitable activities of awarding grants are distributed through a formal grant making process by the Finance and Grants Committee, which reviews and recommends such grants for the approval by the Board of the Council and thereafter the Board of Trustees for any application offunds from the Agape Fund.

The Council's Finance and Grants Committee also reviews and evaluates all funding requests from parishes and their proposed charitable works. The Board of the Council reviews and approves the Committee's recommendations of the grants before they are disbursed in full to the parishes.

Grants to member organisations which have IPC status are applied from the Agape Fund. All other grants are applied from the General Fund. The grants are disbursed in tranches, at the discretion of the Council, to take into account the cash flow requirements of the member organisations.

Grant expenditure is charged to the statement of financial activities immediately from the point of the award being made, as evidenced by the grant agreement entered into between the Council and the grantee.

Support costs

Support Costs are those costs incurred in support of fundraising activities and the awarding and payment of grants. These are an integral cost of carrying out the direct charitable objectives of the organisation. The details of support costs in the statement of financial activities/comprehensive income are disclosed in Note 10.

Caritas Singapore Community Council Limited

Notes to the financial statements For the financial year ended 30 September 2018

2. Summary of significant accounting policies (cont'd)

2.16 Resources expended (cont'd)

Governance costs

Governance costs are those incurred in compliance with constitutional and statutory requirements including related professional fees.

2.17 Funds accounting

The funds held by the Council are:

- General Funds are funds that can be used in accordance with the charitable objectives of the Council. Such funds are either unrestricted or restricted. The restrictions arise when specified by the donor or when funds are raised for a particular restricted purpose. Currently, there are two restricted funds, the Capacity Building Fund and the St. Jude Fund. The Capacity Building Fund is an expendable endowment fund established so that in the long term, the interest income generated from this fund would support the ongoing operating needs of the Council. Non tax-exempt donations for the Capacity Building Fund are credited into the General Fund, and usage of the fund requires the approval of the Board of the Council.
- The Agape Fund is made up of tax-exempt donations that can be used in accordance with the charitable objectives of the Council. The Agape Fund also has both unrestricted and restricted funds, the latter which includes the Capacity Building Fund and the St. Jude Fund. Tax-exempt donations for the Capacity Building Fund are credited into the Agape Fund and usage of the fund requires the approval of the Board of the Council and the Board of Trustees. The St. Jude Fund was created in November 2010 for restricted donations made by donors crossing more than one fiscal year. Tax-exempt donations for the St. Jude Fund are also credited into the Agape Fund and usage of the fund is according to the intent of the donor. The first major donor of the St. Jude Fund, who wishes to remain anonymous, contributed a sum of S\$500,000 for grants to be made to various member organisations over a period of ten years starting in FY2011.
- The Agape Village Building Fund is an unrestricted designated sub-fund set up under both the Agape Fund for donations with tax-exempt receipts and the General Fund for donations without tax-exempt receipts. The usage of the tax-exempt donations under the Agape Fund requires the approval of the Board of the Council and the Board of Trustees. The Agape Village Building Fund is designated primarily to fund the construction and operations of Agape Village at Lorong 8 Toa Payoh on a 3,000 square metre piece of land owned by the Titular Roman Catholic Archdiocese of Singapore.

The one-stop Catholic Services hub is where people in need can connect to the 27 charities and services under its umbrella to help those in need, regardless of race, language or religion. It will also bring together the common services of our Catholic charities under one roof - integrated case management, counselling, legal aid, medical aid, care-giver support, skills training and job matching for displaced workers and professionals, mentoring and life skills, coaching for the poor and marginalised in our society.

The Agape Village Building Fund will be reduced over the useful life of the asset in line with its depreciation.

2. Summary of significant accounting policies (cont'd)

2.18 Related parties

A related party includes the trustees/office bearers (that is, directors) and key management of the Council. It also includes an entity or person that directly or indirectly controls, is controlled by, or is under common or joint control with these persons. It also includes members of the key management personnel of close members of the family of any individual referred to herein and others who have the ability to control, jointly control or significantly influence by or for which significant voting power in such entity resides with, directly or indirectly, any such individual.

2.19 Current tax

Under Section 13U (1) of the Income Tax Act, all registered charities will enjoy automatic income tax exemption without having the need to meet the 80% spending rule. In other words, they do not need to file income tax returns.

3. Significant accounting estimates, assumptions and judgements

The preparation of the Council financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of the income, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of reporting period. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

Management is of the opinion that there is no significant judgement made in applying accounting policies and no estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Caritas Singapore Community Council Limited

Notes to the financial statements For the financial year ended 30 September 2018

12. Property, plant and equipment (cont'd)

In financial year 2015, the Council completed the construction of Agape Village building at Lorong 8 Toa Payoh at an estimated total cost of \$14,000,000 and received the Temporary Occupation Permit on 24 July 2015. Accordingly, the Council transferred the building cost from "Agape Building Asset under construction" to the "Agape Village Building" category. All expenses incurred in relation to the construction are capitalised to the building cost in accordance with the Council's capitalisation policy.

Included in the leasehold improvements and Agape Village Building is an amount of \$63,000 (2017: \$63,000) and \$250,000 (2017: \$250,000) for the provision for reinstatement cost for Waterloo office and Agape Village Building, respectively.

Net depreciation charged to the statement of financial activities as cost of generating voluntary income are:

	2018	2017
	\$	\$
Depreciation for the year	822,635	840,592
Amortisation of Agape Village building fund (Note 19)	(569,751)	(571,411)
Net depreciation of property, plant and equipment	<u>252,884</u>	<u>269,181</u>

13. Prepayments

	2018	2017
	\$	\$
Prepayments (current):		
Lease rental	173,814	173,794
Lanworks software - maintenance and assurance	6,243	8,566
Insurance	3,669	4,955
Others	3,379	18,897
	<u>187,105</u>	<u>206,212</u>
Prepayments (non-current):		
Lease rental	<u>2,805,047</u>	<u>2,968,058</u>

Lease rental

The Council has entered into two term lease from 19 June 2013 with The Titular Catholic Archbishop of Singapore (TRCAS) at 55 Waterloo Street as follows:

- (1) Unit #07-01 and Unit #08-01 ending 18 February 2042. The Monthly Rent for the term was paid in advance by way of three (3) payments totalling \$3,351,960.
- (2) Unit #06-01 ending 18 June 2023. The Monthly Rent for the term was paid in advance by way of three (3) payments totalling \$576,671.

Caritas Singapore Community Council Limited

**Notes to the financial statements
For the financial year ended 30 September 2018**

14. Other debtors and deposits

	2018	2017
	\$	\$
Interest receivable	52,616	35,144
Deposits	39,621	35,802
Grant receivables #	—	650,000
	<hr/>	<hr/>
	92,237	720,946
	<hr/>	<hr/>

Grant receivables is from the Community Chest under the Care & Share Movement.

15. Cash and short-term deposits

	2018	2017
	\$	\$
Cash at banks and on hands	2,950,514	4,144,165
Short-term deposits	17,220,278	14,191,412
	<hr/>	<hr/>
	20,170,792	18,335,577
	<hr/>	<hr/>

Cash at banks earns interest at floating rates based on daily bank deposit rates. Short-term deposits are made for varying periods of between one day and twelve months, depending on the immediate cash requirements of the Council, and earn interest at the respective short-term deposit rates. The weighted average effective interest rate as at 30 September 2018 for the Council was 1.24% (2017: 1.21%).

For the purpose of the cash flow statement, cash and cash equivalents comprises the following at the end of the reporting period:

	2018	2017
	\$	\$
Cash at banks and on hands	2,950,514	4,144,165
Short-term deposits	17,220,278	14,191,412
	<hr/>	<hr/>
	20,170,792	18,335,577
	<hr/>	<hr/>
Less: short-term deposits greater than 3 months	(7,309,768)	(7,606,345)
	<hr/>	<hr/>
Cash and cash equivalents	12,861,024	10,729,232
	<hr/>	<hr/>

Caritas Singapore Community Council Limited

**Notes to the financial statements
For the financial year ended 30 September 2018**

16. Creditors and accruals

	2018	2017
	\$	\$
Accruals	1,789,931	1,386,831
Deposits received	76,272	73,766
	<u>1,866,203</u>	<u>1,460,597</u>

Included in the accruals is the accrued rental expense of Agape Village amounting to \$98,803 (2017: \$103,114) and professional fees for Agape Village amounting to \$294,656 (2017: \$900,208).

17. Commitments

The Council leases land and office equipment under non-cancellable lease agreements. These leases, which do not have purchase options, have an average tenure of between 5 and 27 years.

Future minimum rental payable under non-cancellable operating leases at the end of the reporting period are as follows:

	2018	2017
	\$	\$
Not later than one year	250,469	251,003
Later than one year but not later than five years	977,747	986,345
Later than five years	3,397,648	3,646,116
	<u>4,625,864</u>	<u>4,883,464</u>

Rental expense incurred for Agape building for the reporting year	<u>74,069</u>	<u>67,689</u>
---	---------------	---------------

Included in the operating lease payment is the rental payable by the Council for the Agape Village at Lorong 8 Toa Payoh on a 3,000 square metre piece of land. The lease is with Titular Roman Catholic Archdiocese of Singapore over a period of 27 years, which expires on 5 September 2041 and is not subject to an escalation clause.

Balance at the end of the year	(1,814,572)	(1,244,821)
Net balance at the end of the year	14,486,332	15,056,083

Caritas Singapore Community Council Limited

Notes to the financial statements

For the financial year ended 30 September 201 B

20. Agape Village Building Fund

The Agape Building Fund is an unrestricted designated sub-fund set up under both the Agape Fund for donations with tax-exempt receipts and the General Fund for donations without tax-exempt receipts. The usage of the tax-exempt donations under the Agape Fund requires the approval of the Board of the Council and the Board of Trustees. The Agape Building Fund has been designated primarily to fund the construction and operations of Agape Village at Lorong 8 Toa Payoh on a 3,000 square metre piece of land owned by the Titular Roman Catholic Archdiocese of Singapore.

The Council intends to create a new one-stop Catholic Services hub where people in need can connect to the 23 charities and services under its umbrella to help those in need, regardless of race, language or religion. It will also bring together the common services of our Catholic charities under one roof - integrated case management, counselling, legal aid, medical aid, care-giver support, skills training and job matching for displaced workers and professionals, mentoring and life skills, coaching for the poor and marginalised in our society.

The Council completed the construction of Agape Village end June 2015 at an estimated total cost of \$14,000,000 (including contingencies) and received the Temporary Occupation Permit on 24 July 2015.

21. Trustees'/Directors' remuneration

No Trustee or Director has received any remuneration from the Council or Agape Fund during the year and neither has received reimbursements for expenses incurred in attending Board, committee or Trustee meetings.

22. Related party transactions

The following significant transactions took place during the year:

	2018	2017
	\$	\$
Grant expenditure (Note 8):		
CHARIS	279,000	280,000
CARE	270,000	300,000

These organisations are related parties to the Council in these financial years due to common directors.

Caritas Singapore Community Council Limited

**Notes to the financial statements
For the financial year ended 30 September 2018**

23. Employee benefits

	General Fund Unrestricted	Agape Fund Unrestricted	Total
	\$	\$	\$
2018			
Salaries and leave accruals	141,354	602,616	743,970
Central provident fund contributions	24,612	104,927	129,539
Other short-term benefits	36,408	155,215	191,623
	<u>202,374</u>	<u>862,758</u>	<u>1,065,132</u>
2017			
Salaries and leave accruals	120,548	513,914	634,462
Central provident fund contributions	18,521	78,957	97,478
Other short-term benefits	39,617	168,895	208,512
	<u>178,686</u>	<u>761,766</u>	<u>940,452</u>

24. Compensation of key management personnel

	2018	2017
	\$	\$
Salaries, bonus and other benefits-in-kind	242,005	326,503
Central provident funds contributions	21,838	29,109
	<u>263,843</u>	<u>355,612</u>

There are two (2017: two) employees with emoluments above \$100,000. The above compensation relates to the top 2 executives.

25. Taxation

The Council is exempted from income tax under Section 13(1) (zm) of the Income Tax Act, Cap. 134.

Caritas Singapore Community Council Limited

Notes to the financial statements

For the financial year ended 30 September 2018

26. Financial risk management objectives and policies

The Council's principal financial instruments comprise cash and cash equivalents. The main purpose of these financial instruments is to finance the Council's operations. The Council has various other financial assets and liabilities such as other receivables and other creditors and accruals, which arise directly from its operations.

Due to the nature of the Council's activities, it has minimal financial risks exposure. The Finance and Investment Committee provides oversight of the Council's overall risk management and it recommends to the Board of the Council the overall policy pertaining to the Council's cash management and investment. The Council's Directors review and agree to policies for managing each of these risks and they are summarised below:

(a) Interest rate risk

The Council's exposure to interest rate risk arises primarily from the Council's cash and cash equivalents. The Council does not place its funds in investment debt securities nor does it use derivative financial instruments to hedge its interest rate risk.

The Council's policy is to obtain the most favourable interest rates available.

Information relating to the Council's interest rate exposure is also disclosed in the respective notes to the financial statements where applicable. Sensitivity analysis of the interest rate exposure is not significant.

(b) Liquidity risk

Liquidity risk is the risk that the Council will encounter difficulty in meeting financial obligations due to shortage of funds. The Council's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities.

Analysis of financial instruments by remaining contractual maturities

The table below summarises the maturity profile of the Council's financial assets and liabilities at the balance sheet date based on contractual undiscounted repayment obligations:

	2018		2017	
	1 year or less	More than 1 year	1 year or less	More than 1 year
	\$	\$	\$	\$
Financial assets				
Other debtors and deposits	92,237	—	720,946	—
Cash and short-term deposits	20,170,792	—	18,335,577	—
	<hr/>		<hr/>	
	20,263,029	—	19,056,523	—
	<hr/>		<hr/>	
Financial liabilities				
Creditors and accruals	1,866,203	—	1,460,597	—
	<hr/>		<hr/>	
	1,866,203	—	1,460,597	—
	<hr/>		<hr/>	

26. Financial risk management objectives and policies (cont'd)

(b) Liquidity risk (cont'd)

The Council monitors and maintains a level of cash and cash equivalents deemed adequate by the Directors to finance the Council's operations and mitigate the effects of fluctuations in cash flows.

(c) Credit risk

Credit risk is the risk of financial loss to the Council if a counterparty to a financial instrument fails to meet its contractual obligations.

The Council's principal financial instruments comprise cash and cash equivalents and these are placed with financial institutions of high credit standing and regulated.

27. Fair value of financial instruments

(a) Fair value hierarchy

The Council categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- Level 1 - Quoted prices (unadjusted) in active market for identical assets or liabilities that the Group can access at the measurement date,
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3 - Unobservable inputs for the asset or liability.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value

(b) Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

The Council has determined that the carrying amounts of financial assets and liabilities are reasonable approximation of their fair values as they are mostly short-term in nature.

Caritas Singapore Community Council Limited

Notes to the financial statements

For the financial year ended 30 September 2018

27. Fair value of financial instruments (cont'd)

(b) *Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value (cont'd)*

The carrying amounts of assets and liabilities in each of their following categories are as follows:

	Loans and receivables \$	Non-financial assets \$	Total \$
2018			
Assets			
<i>Non-current</i>

	1,460,597	313,000	1,773,597

28. Reserves management

The reserves of the Council comprise the General Fund, the Agape Fund and the Agape Building Fund. The Council targets a general reserve level of two years, taking into account that the grant making function represents the majority of its expenditure, and the lag period between member organisations' budgetary needs and the inflow from current year's fundraising activities.

Caritas Singapore Community Council Limited

**Notes to the financial statements
For the financial year ended 30 September 2018**

29. Authorisation of financial statements for issue

The financial statements for the financial year ended 30 September 2018 were authorised for issue in accordance with a resolution of the Directors on 17 December 2018.

Corporate Governance

Caritas Singapore Community Council Limited (“Caritas Singapore” or “the Council”) is committed to maintaining high standards of corporate governance.

In Singapore, best practices in governance are set out in the Code of Governance for Charities and Institutions of a Public Character (IPC) (“the Charity Council Code”) which was first introduced by the Charity Council in 2007. The Code was refined in 2011 leading the Charity Council to issue a revised Code in 2018 to help charities apply the Code more effectively.

The Code is not mandatory but charities and IPCs are encouraged to follow the code and explain any deviations from it. The Charity Council also launched an online Governance Evaluation Checklist designed to help charities and IPCs self-evaluate the extent they have complied with essential guidelines in the Charity Council Code.

For the purpose of this report, Caritas Singapore’s compliance of and explanations for any deviations from the Charity Council Code are provided below.

Caritas Code of Governance Evaluation Checklist for FY 2018

S/N	Description	Code ID	Response	Explanation (if compliance is in progress, not complied or not applicable)
Board Governance				
1	Induction and orientation are provided to incoming Board members on joining the Board.	1.1.2	Complied	
	Are there board members holding staff appointments?	NA	No
