CORPORATE GOVERNANCE REPORT

Caritas Singapore Community Council Limited ("Caritas Singapore" or "the Council") is committed to maintaining high standards of corporate governance.

In Singapore, best practices in governance are set out in the Code of Governance for Charities and Institutions of a Public Character (IPC) ("the Charity Council Code") issued by the Charity Council in November 2007. The Code is not mandatory but charities and IPCs are encouraged to follow the code and explain any deviations from it. The Charity Council also launched an online Governance Evaluation Checklist designed to help charities and IPCs self-evaluate the extent they have complied with essential guidelines in the Charity Council Code.

Caritas Singapore has also developed its own code of governance ("the Caritas Singapore Code") which builds upon the Charity Council Code, setting out its implementation of the principles where appropriate and adding in the Catholic ethos. The Caritas Singapore Code is available on its website.

For the purpose of this report, Caritas Singapore's compliance of and explanations for any deviations from the Charity Council Code are provided below. In addition, the Governance Evaluation Checklists of Caritas Singapore and CSCC Agape Fund can be viewed on the Charity portal at www.charities.gov.sg.

1. BOARD GOVERNANCE

Principle: The charity is governed by a volunteer Board whose members are either elected or appointed according to the charity's constitution. As the highest policy and decision making body, the Board has the responsibility of ensuring that the charity is governed and managed responsibly and prudently to ensure the effectiveness, credibility and sustainability of the charity.

Board Composition

Caritas Singapore is governed by a volunteer Board appointed by the Archbishop of the Catholic Archdiocese of Singapore. There are 15 members of the Board - four religious and 11 lay volunteers.

The members collectively provide the needed mix of spiritual guidance and corporate governance, non-profit management, legal, financial and other experience from the government, commercial and non-profit sectors.

Caritas Singapore has a trust fund, the CSCC Agape Fund ("the Fund") which has IPC status. Of the six trustees appointed by the Board to govern the Fund, two are board members and the remaining are other lay volunteers. The group of trustees provides the mix of governance, management and financial experience needed for the Fund.

The list of board members and trustees is shown further below in the section "Board and committee meetings". Their individual profiles are provided in pages 33 to 37 of the Annual Report 2010.

Board Bye-laws

The composition and appointment of the Board and the duties and functions of the directors are defined in the constitution of Caritas Singapore.

The Caritas Singapore Code consolidates the policies, processes and structures for the Council's operation, including board and trustees' duties and responsibilities and sets out the practices and governance standards it seeks to uphold.

Financial policies are set out in the Finance and Accounting Policy Manual ("FA Policy Manual"), part of which defines the duties and responsibilities of specific appointment holders.

There are no additional set of bye-laws beyond the Constitution, the Caritas Singapore Code, and the FA Policy Manual.

Board Tenure and Renewal

The Board has established a set of guidelines on board renewal to ensure continuity and an appropriate balance of experience and skills for effective governance. The guidelines limit the tenure of any board member to a maximum of six consecutive terms. The tenure for the following board appointments is limited to a maximum of two consecutive terms: Board Chairman, Audit Committee Chairman, and Finance and Investment Committee Chairman. In addition, the guideline calls for at least two new members to be appointed with each renewal term.

The Board has established a Nominating Committee which makes recommendations to the Archbishop on all Board appointments. The Nominating Committee identifies candidates and considers factors such as the range of skills and experience and the needs of the Board to provide the appropriate diversity of views to facilitate effective decision making.

The term of the Board will end on 31 December 2010. A meeting of the Nominating Committee was convened in August this year to identify and evaluate nominations of board members for the new term from 1 January 2011 to 31 December 2012. The new Board will see a change of six out of the 15 members, and new office bearers in the following key positions: Board Chairman, Chairman of Audit Committee, and Chairman of the Finance and Investment Committee.

Executive Independence

All board members and trustees are non-executive, and none of them receive any remuneration for their time spent on matters relating to the Council.

The day-to-day operations of Caritas Singapore are managed by a team of eight full time executives including and led by a full time Executive Director.

The Executive Director and when appropriate, members of the executive team attend board meetings as ex-officio to provide information and facilitate necessary decision but they do not take part in the decision making of the Board.

Board Committee Structure

With the limited executive staffing, the Board has set up a number of Board Committees to assist with the governance and programmes of Caritas Singapore:

Infrastructural Committees

1. Audit Committee (Chair: Patrick Goh)
2. Executive Committee (Exco) (Chair: Willie Cheng)
3. Finance and Investment Committee (Chair: Juliana Ng)
4. Nominating Committee (Chair: Rev Monsignor Eugene Vaz)

Programme Committees

1. Community Strategy Committee (Chair: Laurence Lien)
2. Formation Committee (Chair: Sr Maria Lau, IJS)
3. Fundraising Committee (Chair: Diana Quek)
4. Grants and Capacity Building Committee (Chair: Kwek Mean Luck)

5. Membership Committee (Chair: George Lim)
6. PR and Communications Committee (Chair: Benjamin Wong)
7. Volunteers and Parishes Committee (Chair: Paul Foo)

Project or ad hoc committees are also established from time to time to look into specific initiatives or projects. This year, several such committees were set up for the following initiatives, some of which were in collaboration with and in fact, initiated by member organisations or volunteers:

1. CBN Golf for Charity Fundraising Event (Chair: Tan Peng Chin)
2. Caritas Singapore Code of Corporate Governance (Chair: Thomas Teo)
3. Down Memory Lane Fundraising Dinner (Chair: Christina Spykerman)
4. Labourers of the Harvest Programme (Chair: Sr Maria Lau, IJS)
5. Study of the Poor (Chair: Eugene Tan)
6. Social Mission Conference 2010 (Chair: Linda Low)
7. A Big Day Out (Chair: Paul Foo)
8. Social Response (Chair: Patrick Goh)

There are several committees recommended by the Charity Council Code which differs from how Caritas Singapore has implemented its committee structure:

1. Human Resource Committee. The human resource needs of Caritas Singapore are covered by the Executive Committee.
2. Programmes and Services Committee. As the Council is driven largely by volunteers, seven programme committees and several ad hoc project committees instead of a single, all encompassing committee, have been formed.

The Board has no Treasurer position. Matters relating to finance come under the purview of the Finance and Investment Committee, chaired by a board member.

All committees have a defined set of Terms of Reference and each Board Committee is chaired by a board member. Project committees may not be chaired by a board member.

In addition to existing board members, a total of 50 other volunteers with relevant expertise, experience and network are co-opted into the board committees.

Orientation briefings and documents are provided to each new board or committee member.

Board and Committee Meetings

Board meetings are held every two months. The quorum for meetings is one-third of members. Committee meetings are held as needed.

In general, the Board and Committees seek to operate by consensus. However, the constitution provides for voting in the Board by a majority of those present.

All board meetings are well attended. The attendances of board members at board meetings and the committee meetings on which they are members are as follows:

(see table on next page)

| Name | Attendance at Board Meetings | Committees | Attendance at Committee Meetings |
|------------------------------|------------------------------|--|----------------------------------|
| Willie Cheng (Chairman) | 6 out of 6 | Exco Nominating | 5 out of 5 1 out of 1 |
| George Lim (Deputy Chairman) | 5 out of 6 | Exco Membership | 5 out of 5 5 out of 5 |
| Paul Foo | 3 out of 6 | Volunteers and Parishes Nominating | 9 out of 9 1 out of 1 |
| Rev Fr Patrick Goh | 5 out of 6 | Exco | 5 out of 5 |
| Patrick Goh | 6 out of 6 | Audit | 3 out of 3 |
| Kwek Mean Luck | 4 out of 6 | Grants and Capacity Building | 2 out of 2 |
| Sr Maria Lau, IJS | 5 out of 6 | Formation | 5 out of 5 |
| Laurence Lien | 3 out of 6 | Community Strategy ⁽¹⁾ | NA |
| Wendy Louis | 5 out of 6 | Formation | 4 out of 5 |
| Linda Low | 5 out of 6 | Social Mission Conference | 5 out of 5 |
| Juliana Ng | 3 out of 6 | Finance and Investment Grants and Capacity Building | 6 out of 6 1 out of 2 |
| Diana Quek | 4 out of 6 | Fundraising | 5 out of 5 |
| Rev Fr Colin Tan, SJ | 6 out of 6 | Fundraising | 2 out of 5 |
| Rev Monsignor Eugene Vaz | 5 out of 6 | Formation Nominating | 5 out of 5 1 out of 1 |
| Benjamin Wong | 1 out of 6 | PR and Communications | 1 out of 1 |

⁽¹⁾ There were no formal meetings convened in the year following completion of a Community Strategy Report in FY2009. Follow-ups to the Community Strategy were held at the Board meetings.

The Trustees are scheduled to meet in line with the grant-making schedule. One meeting was held in the year. The Trustees' attendance at the meeting is as follows:

| Name | Attendance at Trustees' Meeting |
|-----------------------|---------------------------------|
| J Y Pillay (Chairman) | 1 out of 1 |
| Willie Cheng | 1 out of 1 |
| Margaret Lien | 1 out of 1 |
| Dr Lim Cheok Peng | 1 out of 1 |
| George Lim | 1 out of 1 |
| Frank Wong | 1 out of 1 |

Minutes are kept for all board, trustees and committee meetings. All minutes are circulated to those present, and also to all board members as part of the board pack provided for each board meeting.

Board Evaluation

In August this year, the Board did a written self-evaluation survey and the results were compiled and discussed at the Board meeting in September.

2. STRATEGIC PLANNING

Principle: The charity is established to accomplish certain objectives for the benefit of the society. The vision and mission of the charity shall be clearly articulated, and the charitable work shall be carefully planned and implemented.

Vision and Mission

The articulated mission and vision of Caritas Singapore are:

Mission: To provide leadership to the Catholic community in Singapore in fulfilling the Church's social mission for the benefit of the broader community.

Vision: To be the hub of a vibrant Church's social outreach to the broader community and a model of social innovation and Christian leadership.

Community Strategy

Based on the recommendations set out in the Community Strategy Report, Caritas Singapore developed an action plan for the Church's social mission work for the next three years. Each action item was overseen by an individual board member and progress reports on these action items were made at the board meetings during the year.

Operations Plan

The Board and committee members hold a retreat annually to develop a structured and integrated work plan for the coming year in line with its mission and strategies.

A Board retreat was held on 1 August 2009 for the FY2010 work plan.

The Board Committees identify specific actions and initiatives for each programme area, and the resources needed. The Board reviews and approves the Board Committees' work plans for the year. These are considered in the budget planning for the fiscal year.

The Chairperson of each committee updates the Board on the progress and outcomes of these programmes.

Where appropriate, Caritas Singapore seeks to network with charities, corporate partners and community or national organisations for the work they do and for the advantage of their member organisations.

The annual report of Caritas Singapore is its primary overall reporting back to the various stakeholders (the Catholic community, donors, etc). It updates its stakeholders on specific activities and project progress such as fundraising on its website; and through *The Catholic News* and its monthly e-Newsletters.

3. CONFLICT OF INTEREST

Principle: The Board, its staff, volunteers and donors to the charity shall act in the best interest of the charity. There shall be no vested or personal interest or interest of third parties. Clear policies and procedures shall be set and measures taken to prevent and address actual, potential or perceived conflict of interest that could affect the integrity, fairness and accountability of the charity.

Conflict of Interests of Board Members

The Board has discussed the issue of conflict of interests and determined that based on known relationships within the Board, the potential for conflict is minimal.

The Board has an established guideline for declaring interests during discussions and for abstaining from decision making in the matter. These are documented in the Caritas Singapore Code and also in the FA Policy Manual.

All board members provide a disclosure of their interests in all other organisations, including its member organisations, in which they are directors or have control on the board. The disclosures are updated when they occur and circulated to all board members. Where a conflict of interest arises, the board member concerned does not participate in the decision making.

Recruitment of Staff

Recruitment of the Executive Director is handled by the Board with an ad hoc Board Committee that would be set up to do the screening and interviewing. Recruitment of other staff is handled by the Executive Director with the Executive Committee of the Board overseeing it. There is no known family relationship of the executive staff with any of the board members.

Conflict of Interests of Organisational Members

Caritas Singapore has a number of organisational members that it works with. The major financial relationship with these organisational members is that it provides grants to many of its member organisations for their charitable work. There is an established grant-making process to properly evaluate the basis for all the grants given to member organisations and groups. These grants are approved by the Board and the Trustees, where applicable. The grants are disclosed in its financial statement.

In addition, from time to time, there could be other financial transactions between the Council and these member organisations, and other Church organisations. Where appropriate, these transactions should be disclosed in the Governance and Financial Report. For FY2010, this is disclosed on page 45.

4. PROGRAMME MANAGEMENT

Principle: The programmes and activities conducted by the charity determine the charitable work that the charity sets out to accomplish. They shall be carefully planned, tracked and reviewed to ensure relevancy to the mission and vision of the charity.

A retreat of board and committee members was held in August 2009 to develop a structured plan for FY2010 with key initiatives, goals and programmes identified.

Based on the Council's mission, the Board established the following to be its core programmes:

- Fundraising for a common pool of funds
- Grant-making and capacity building from this common pool of funds
- Coordination and networking of its member organisations
- Volunteer raising and matching
- Formation of the Catholic community on living its social mission
- Development and implementation of a community strategy
- Communicating with its members and the Catholic community

Board Committees developed their work plans for FY2010 and identified the key objectives and goals for each area of the programmes. The committee chairpersons monitor the programme outcomes against their defined goals and update the Board on the progress of the programmes and services.

5. HUMAN RESOURCE MANAGEMENT

Principle: Human resource is an important asset of the charity. The charity has a pool of paid staff and volunteers to run its operations and programmes, and shall have human resource policies to address these groups of people.

Paid Staff

Caritas Singapore has developed a Staff Manual which contains a clear set of human resource policies for paid staff and contract workers that covers recruitment, remuneration, benefits, training, development actions, performance appraisal and disciplinary actions. The manual was updated during the year to include a whistle blowing policy which the Board has approved, where staff may raise improprieties in good faith and with the confidence of protection from reprisals.

The Council conducts reference checks on staff prior to the appointment of the individual, as may be needed. The Executive Director and the Executive Committee of the Board identify the training needs of the staff and the appropriate courses to equip them with the skills to perform their jobs effectively.

The Executive Committee evaluates the performance of the Executive Director. Appraisal of the other staff is carried out by the Executive Director and the Chair of the Executive Committee.

Caritas Singapore has an established policy for staff who resigns which includes an exit interview to ascertain the reasons for leaving and a commitment in writing from the exiting staff on non-disclosure of the Council's matters to external parties.

The salary scale of the Council is pegged to that of the National Council of Social Service. None of the staff remuneration is pegged to the amount of funds raised. All staff are covered by insurance.

Volunteers

As part of its mission, Caritas Singapore promotes volunteering, recruits volunteers and matches them to its member organisations. This programme is overseen by the Volunteers and Parishes Committee.

Caritas Singapore promotes volunteering through its various messaging platforms. It conducts online volunteer matching through its website and through organised events across the Archdiocese.

In addition to the support it provides to its member organisations in getting and managing volunteers, Caritas Singapore also uses volunteers extensively. In the last year, over a hundred volunteers have helped out in its various committees and activities. Its volunteers are managed by one of its staff who has undergone a course in volunteer management conducted by the National Volunteer and Philanthropy Centre.

Volunteers do not receive any remuneration or allowances. They may, however, be reimbursed for out-pocket-expenses incurred in performing their work. All reimbursements are made through a claim process which requires forms and documentary support which are checked and approved before payments are made.

Apart from a clear guideline on no remuneration given for volunteer work, there are no other written policies on volunteers. Caritas Singapore obtains a commitment of non-disclosure from volunteers who manage donors' information. Where necessary, insurance are taken to cover volunteers in their work. Caritas Singapore seeks to follow best practices in managing its volunteers.

6. FINANCIAL MANAGEMENT AND CONTROLS

Principle: Being an organisation providing services for the good of the public and having public funds as its major source of income for its operations, the charity shall have sound financial management and compliance with applicable laws to ensure accountable and legitimate use of their resources.

Budgets

The Executive Director prepares the annual operating budget in consultation with the Board Committees based on the programmes agreed to at the board retreat. The budget is tabled for Board's approval.

The Executive Director, together with the Finance and Investment Committee monitors the budget. The half yearly financial statements with comparative budget figures are presented to the Board for its review. Major variances to budget are detailed for Board's discussion and adoption.

Operational Controls

The Council has developed the FA Policy Manual which provides the guidelines and policies for the management and control of the Council's financial and accounting operations. The Manual also stipulates accountability and fiduciary responsibility over the finances and assets of the Council.

The Board has adopted the FA Policy Manual and the internal controls set out therein, which include:

- Budgeting and monitoring requirements
- Fundraising and reserves policy
- Procurement procedures and disbursements
- Guidelines on related party transactions
- Receipting, payment procedures and controls such as double signatories
- System for the delegation of authority and limits of approval
- Guidelines for the investments of surplus funds
- A fixed asset register for its assets, and depreciation and capitalisation policies

Major expenditure is approved by the Board or delegated to specific committees as appropriate. The Executive Committee reviews and approves payments for significant operational expenditure. The Grants and Capacity Building Committee reviews and recommends grants made to member organisations for approval by the Board and the Trustees. The Finance and Investment Committee reviews and recommends policy on cash management and investments for approval by the Board and monitors these approved investments on a regular basis.

Caritas Singapore does not extend loans to third parties.

The book-keeping function of Caritas Singapore is currently outsourced to a professional third party provider. The Finance and Investment Committee reviews the process and financial statements.

The Audit Committee reviews the overall risks of the Council and the adequacy of its internal controls, including financial, compliance and risk management controls as well the adequacy of its business continuity management. It meets with the external auditors to discuss on the audit plan, and reviews the report on the audit of the year-end financial statements for recommendation to the Board for approval.

In the last year, the Audit Committee engaged a lay volunteer with experience in business continuity management to review Caritas Singapore's operational procedures and its ability

to continue operations in the event of a disaster.

Asset Management

The Board has established a reserves policy. The policy is disclosed in the Council's annual report and states:

The reserves policy of Caritas Singapore aims to hold adequate funds to fulfil its role as the Church's umbrella body for its charity and community organisations, and be in line with regulatory requirements and industry best practices. At the same time, as a Church organisation, it does not seek to hold excessive funds to provide for unknown and far future needs.

The financial needs of Caritas Singapore comprise (1) operating and programme costs and (2) grants to member organisations. The latter expenditure represents the majority of its annual expenditure and is expected to increase proportionately over the years.

Its grant-making role is critical to the functioning and continuation of several Catholic charities which depend on the Council for the majority, if not all of their operational expenses. Caritas Singapore should have sufficient reserves to allow these organisations to commit to multi-year programmes.

Caritas Singapore will target a general reserve level of two years taking into account that the grant-making function represents the majority of its expenditure, and the lag period between member organisations' budgetary needs and the inflow from current year's fundraising activities.

In the long term, Caritas Singapore may establish specific restricted funds that may be needed to meet donor niches and help with its annual fundraising, such as a Capacity Building Fund that is focused on funding its operating needs to make its annual fundraising for its member organisations more effective.

The reserve level of Caritas Singapore as of 30 September 2010 is 2.17 years.

The Board approves the creation of such other funds of the Council. A Capacity Building Fund was established in 2008 to support the on-going operating needs of the Council in the long run. Caritas Singapore informs prospective donors of the purpose of the Fund and the amount it targets to raise.

Caritas Singapore invests the surplus for the year on a conservative basis in bank deposits, in line with the investments guidelines established and approved by the Board.

It also maintains a fixed assets register to account for all of its fixed assets. It has insurance coverage for the office.

7. FUNDRAISING PRACTICES

Principles:

- (a) As fundraising is one of the key interactions between the charity and the public, the charity shall ensure that its fundraising activities are transparent, ethical and uphold the public's confidence in the cause of the charity.**
- (b) The charity shall ensure that proper accounting practices and records are maintained for the fundraising activities.**
- (c) The charity and its fundraisers shall be accountable to their donors for the donations received.**
- (d) Charities and their fundraisers shall respect donors' confidentiality.**
- (e) The charity and its fundraisers shall effectively manage and take care of the interests of their fundraising personnel.**

- (f) The charity shall be prudent in engaging commercial third party fundraisers. Notwithstanding the use of a third party fundraiser, the charity itself remains responsible for complying with this Code as if it carried out the fundraising activity itself.
- (g) The charity shall be prudent in entering into co-ventures.

Fundraising Practices

Caritas Singapore raises funds primarily from and through the Catholic community. Its main message to Catholics on giving is based on the Church's social teachings of loving their neighbours, especially the poor and the marginalised.

The main fundraising project conducted at the parishes during the year was the Charities Week 2010. Caritas Singapore also receives donations through the GIRO platform. In addition, individuals and groups from the Catholic community also fundraised in support of Caritas Singapore through organised events such as a charity golf tournament and charity dinner.

The respective fundraising project committees set up by the Fundraising Committee reviews and approves the fundraising processes, internal controls and messages to ensure integrity and transparency of the process. The processes and controls include:

- Control totals, tags and security packages in the collection and transmission of money
- Timeliness in the collection and depositing of money collected from the parishes
- More than one person involved in each stage of operation of collections, counting and deposit of money
- Confidentiality of donors' information

Accountability of Donations

Information of Caritas Singapore and the causes are provided in the appeal letters and envelopes for its fundraising events. Donors are encouraged to visit its website for detailed write-ups.

Detailed records are kept for each donation. Acknowledgement letters are sent to all donors where practical, to confirm and to thank them for their gifts.

Tax-exempt donations are entered into the IPC-Link database and transmitted to the Inland Revenue Authority of Singapore.

Collections received from fundraising projects at the parishes are reported back to each parish, and published in *The Catholic News* and on the website of Caritas Singapore. Other fundraising projects undertaken by individuals and groups in support of the Council are also published on its website.

Donors' confidentiality are observed and respected.

Fundraising Personnel

Caritas Singapore uses many volunteers in its fundraising activities, none of whom are below the age of 16 years old. Volunteers are managed. All volunteers are briefed before their duties and their welfare provided for, where appropriate, during the performance of their duty. Additional precautions were taken to ensure security when volunteers transport the money collected.

Commercial Third Party Fundraisers and Co-Ventures

Caritas Singapore has not used the services of any commercial third party fundraisers nor has it any co-venture arrangements during the year.

8. DISCLOSURE AND TRANSPARENCY

Principle: As the charity operates with public support through both donations and the use of volunteers, it shall be transparent in its operations to maintain the integrity of serving for public trust and community good instead of personal gain. As such, the charity shall demonstrate its openness to the public by providing the public with information about its mission, structure, programmes, activities, performance and finances.

General Information on Caritas Singapore

General information on the scope and activities of Caritas Singapore are communicated through its website and the Catholic community as described in Section 9.

Information on Donations

Information provided to donors and other parties regarding specific donations and all donations in general, is described in Section 7 of this statement.

Financial Statements

The annual financial statement of Caritas Singapore is prepared in accordance with the disclosure requirements of Financial Reporting Standards (FRS) and specifically Recommended Accounting Practice 6 (RAP6) of the Institute of Certified Public Accountants of Singapore, even though it is not mandatory for the Council to follow RAP6. The financial accounts are audited by one of the big four accounting firms.

The audited financial report and this Corporate Governance Statement form part of its Annual Report package which is provided to all interested parties, and in particular key segments of the Catholic Church, its donors and the regulators.

Top Three Executives' Remuneration

Each of the top three executives' annual remuneration is within the first remuneration band of below \$100,000.

9. PUBLIC RELATIONS AND CORPORATE COMMUNICATIONS

Principle: The charity provides important services to the community. It therefore needs to communicate matters relating to its mission, programmes or activities to the public and stakeholders, and respond readily to requests for such information.

Caritas Singapore seeks to proactively build its image. This is overseen by a PR and Communications Committee of the Board and managed by a full time staff.

All key information that is externally communicated goes through an internal process of review that involves key board members.

Information regarding its scope, structure and programmes are provided on the Council's website and in its collaterals given out to interested parties. In addition, information is communicated through e-Newsletters and news articles in the Catholic media. For specific activities, information may be relayed to the Catholic community through the parishes.

There are established procedures on releasing information about Caritas Singapore and its activities to the media and also designated spokespersons for the Council.

The Annual Report 2010 and Governance and Financial Report 2010 detail its activities and results for the year to all interested parties.

DIRECTORS' REPORT

The Board of Directors are pleased to present their report together with the audited financial statements of Caritas Singapore Community Council Limited (the "Council") for the financial year ended 30 September 2010.

Members of the Board of Directors

The names of the Board of Directors holding office at the date of this report are:

| | |
|--------------------------|-------------------|
| Willie Cheng | (Chairman) |
| George Lim | (Deputy Chairman) |
| Paul Foo | (Member) |
| Rev Fr Patrick Goh | (Member) |
| Patrick Goh | (Member) |
| Kwek Mean Luck | (Member) |
| Sr Maria Lau, IJS | (Member) |
| Laurence Lien | (Member) |
| Wendy Louis | (Member) |
| Linda Low | (Member) |
| Juliana Ng | (Member) |
| Diana Quek | (Member) |
| Rev Fr Colin Tan, SJ | (Member) |
| Rev Monsignor Eugene Vaz | (Member) |
| Benjamin Wong | (Member) |

Arrangements to enable Directors to acquire shares and debentures

The Council is a company limited by guarantee and has no share capital. None of the Directors holding office at the end of the financial year had an interest in the share capital of the Council that is required to be reported pursuant to Section 201(6)(g) of the Singapore Companies Act, Cap 50.

Directors' interests in shares and debentures

The Council is a company limited by guarantee.

There were no shares or debentures in issue in the Council at the end of the financial year.

Directors' contractual benefits

Since the beginning of the financial year, no Director of the Council has received or become entitled to receive a benefit which is required to be disclosed under Section 201(8) of the Companies Act, Cap 50, by reason of a contract made by the Council or a related corporation with the Director, or with a firm of which he is a member, or with a company in which the Director has a substantial financial interest.

DIRECTORS' REPORT

Share options

The Council is a company limited by guarantee. As such, there are no share options or unissued shares under option.

Auditors

Ernst & Young LLP have expressed their willingness to accept reappointment as auditors.

On behalf of the Board of Directors

Willie Cheng
Director

George Lim
Director

Singapore
30 November 2010

STATEMENT BY THE DIRECTORS

We, Willie Cheng and George Lim, being two of the Directors of Caritas Singapore Community Council Limited (the "Council"), do hereby state that, in the opinion of the Directors:

- (i) the accompanying statement of financial activities/comprehensive income, balance sheet, statement of changes in funds and statement of cash flow together with the notes thereto are drawn up so as to give a true and fair view of the state of affairs of the Council as at 30 September 2010, and of the results of the business, changes in funds and cash flows of the Council for the financial year ended 30 September 2010, and
- (ii) at the date of this statement, there are reasonable grounds to believe that the Council will be able to pay its debts as and when they fall due.

On behalf of the Board of Directors

Willie Cheng
Director

George Lim
Director

Singapore
30 November 2010

INDEPENDENT AUDITORS' REPORT TO THE MEMBER OF CARITAS SINGAPORE COMMUNITY COUNCIL LIMITED

We have audited the accompanying financial statements of Caritas Singapore Community Council Limited (the "Council") set out on pages 19 to 48, which comprise the balance sheet as at 30 September 2010, the statement of financial activities/comprehensive income, statement of changes in funds and statement of cash flows for the financial year ended 30 September 2010, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Singapore Companies Act, Cap 50 (the "Act") and Singapore Financial Reporting Standards. This responsibility includes devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of a true and fair statement of financial activities/comprehensive income and balance sheet and to maintain accountability of assets; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

The management is also responsible for ensuring that the 30% cap mentioned in Regulation 15(1) of the Charities Act, Cap 37 (Institutions of a Public Character) Regulation 2007 has not been exceeded.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBER OF CARITAS SINGAPORE COMMUNITY COUNCIL LIMITED**

Opinion

In our opinion,

- (i) the financial statements of the Council are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Council as at 30 September 2010 and the results, changes in funds and cash flows of the Council for the financial year ended 30 September 2010.
- (ii) the accounting and other records required by the Act to be kept by the Council have been properly kept in accordance with the provisions of the Act.

Report on other legal and Regulatory Requirements

During the course of our audit, nothing has come to our attention that the 30% cap mentioned in Regulation 15(1) of the Charities Act, Cap 37 (Institutions of a Public Character) Regulations 2007 has been exceeded.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

1. General information

Caritas Singapore Community Council Limited (the "Council") is a company limited by guarantee and registered charity under the Singapore Companies Act, Cap 50 (Registration and Unique Entity No: 200613504D). The Council was initially registered as the Catholic Social and Community Council Limited under the Charities Act, Chapter 37, in Singapore (Registration No: 02022). On 26 August 2008, it formally changed its name to Caritas Singapore Community Council Limited. The registered office is at 55 Waterloo Street, #09-03, Catholic Welfare Centre, Singapore 187954.

The Council has established the CSCC Agape Fund ("Agape Fund"), a trust fund governed by a board of six trustees. The fund was also registered under the Charities Act, Chapter 37, in Singapore (Unique Entity No: T06CC2001K). The objectives of the fund are in line with that of the Council.

The principal activities of the Council are to provide the overall leadership to the various charitable organisations under the Archdiocese which assist in the relief of poverty and provide support to needy beneficiaries regardless of age, sex, nationality, religion or moral character. The Council is the official social and community arm of the Archdiocese to fulfil the Church's social mission for the benefit of the broader community.

2. Summary of significant accounting policies

2.1 Basis of preparation

The financial statements of the Council have been prepared in accordance with Singapore Financial Reporting Standards ("FRSs") and the Recommended Accounting Practice ("RAP") 6. They are also subjected to the provisions of the Charities Act, Cap 37.

The accounting policies have been consistently applied by the Council during the financial year.

The financial statements have been prepared on a historical cost basis. The financial statements are presented in Singapore Dollars (SGD or \$), which is the Council's functional and presentation currency.

2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except as follows:

On 1 July 2009, the Council adopted the following standards and interpretations mandatory for annual financial periods beginning on or after 1 January 2009.

- FRS 1 Presentation of Financial Statements (Revised)
- Amendments to FRS 18 Revenue
- Amendments to FRS 23 Borrowing Costs
- Amendments to FRS 32 Financial Instruments: Presentation and FRS 1 Presentation of Financial Statements – Puttable Financial Instruments and Obligations Arising on Liquidation
- Amendments to FRS 101 First-time Adoption of Financial Reporting Standards and FRS 27 Consolidated and Separate Financial Statements – Cost of an Investment in a Subsidiary, Jointly Controlled Entity or Associate

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.2 *Changes in accounting policies (continued)*

- Amendments to FRS 102 Share-based Payment – Vesting Conditions and Cancellations
- Amendments to FRS 107 Financial Instruments: Disclosures
- FRS 108 Operating Segments
- Improvements to FRSs issued in 2008
- INT FRS 116 Hedges of a Net Investment in a Foreign Operation
- Amendments to INT FRS 109 Reassessment of Embedded Derivatives and FRS 39 Financial Instruments: Recognition and Measurement – Embedded Derivatives
- INT FRS 118 Transfers of Assets from Customers
- Amendments to FRS 27 Consolidated and Separate Financial Statements
- Amendments to FRS 39 Financial Instruments: Recognition and Measurement – Eligible Hedged Item
- Revised FRS 103 Business Combinations
- Amendments to FRS 105 Non-current Assets Held for Sale and Discontinued Operations
- INT FRS 117 Distributions of Non-cash Assets to Owners
- Improvements to FRSs issued in 2009:
 - Amendments to FRS 38 Intangible Assets
 - Amendments to FRS 102 Share-based Payment
 - Amendments to FRS 108 Operating Segments
 - Amendments to INT FRS 109 Reassessment of Embedded Derivatives
 - Amendments to INT FRS 116 Hedges of a Net Investment in a Foreign Operation

Adoption of these standards and interpretations did not have any effect on the financial performance or position of the Council. They did however give rise to additional disclosures as follows:

FRS 1 Presentation of Financial Statements – Revised Presentation

The revised FRS 1 separates owner and non-owner changes in fund. The statement of changes in funds includes only details of transactions with owners, with all non-owner changes in funds presented in the statement of other comprehensive income. In addition, the Standard introduces the statement of comprehensive income which presents income and expense recognised in the period. This statement may be presented in one single statement, or two linked statements. The Council has elected to present this as a single statement.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.3 Standards issued but not yet effective

The Council has not adopted the following standards and interpretations that have been issued but not yet effective:

| Description | Effective for annual periods beginning on or after |
|---|--|
| Improvements to FRSs issued in 2009: | |
| – Amendments to FRS 1 Presentation of Financial Statements | 1 January 2010 |
| – Amendments to FRS 7 Statement of Cash Flows | 1 January 2010 |
| – Amendments to FRS 17 Leases | 1 January 2010 |
| – Amendments to FRS 36 Impairment of Assets | 1 January 2010 |
| – FRS 39 Financial Instruments: Recognition and Measurement | 1 January 2010 |
| – Amendments to FRS 105 Non-current Assets Held for Sale and Discontinued Operations | 1 January 2010 |
| – Amendments to FRS 108 Operating Segments | 1 January 2010 |
| Amendments to FRS 102 Share-based Payment – Group Cash-settled Share-based Payment Transactions | 1 January 2010 |
| Amendments to FRS 32 Financial Instruments: Presentation – Classification of Rights Issues | 1 February 2010 |
| INT FRS 119 Extinguishing Financial Liabilities with Equity Instruments | 1 July 2010 |
| Revised FRS 24 Related Party Disclosures | 1 January 2011 |
| INT FRS 114 FRS 19-The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction – Amendments relating to Prepayments of a Minimum Funding Requirement | 1 January 2011 |
| INT FRS 115 Agreements for the Construction of Real Estate | 1 January 2011 |

Except for the revised FRS 24, the directors expect that the adoption of the other standards and interpretations above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of the revised FRS 24 is described below.

Revised FRS 24 Related Party Disclosures

The revised FRS 24 clarifies the definition of a related party to simplify the identification of such relationships and to eliminate inconsistencies in its application. The revised FRS 24 expands the definition of a related party and would treat two entities as related to each other whenever a person (or a close member of that person's family) or a third party has control or joint control over the entity, or has significant influence over the entity. The revised standard also introduces a partial exemption of disclosure requirements for government-related entities. The Council is currently determining the impact of the changes to the definition of a related party has on the disclosure of related party transaction. As this is a disclosure standard, it will have no impact on the financial position or financial performance of the Council when implemented in 2011.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.4 Significant accounting estimates and judgements

Estimates, assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Council's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

Key sources of estimation uncertainty

There are no significant accounting estimates and judgements at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2.5 Functional currency

The Council has determined the currency of the primary economic environment in which the Council operates i.e. functional currency, to be SGD. Incoming resources and resources expended are primarily influenced by fluctuations in SGD.

2.6 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. Subsequent to recognition, property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The initial cost of property, plant and equipment comprises its net purchase price after deducting for any trade discount and rebates, including import duties and non-refundable purchase taxes, any directly attributable costs of bringing the asset to its working condition and location for its intended use, any trade discounts and rebates are deducted in arriving at the purchase price. The costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period of purposes other than to produce inventories during that period are capitalised. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance and overhaul costs, is normally charged to the statement of financial activities/comprehensive income in the period in which the costs are incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property, plant and equipment beyond its originally assessed standard of performance, the expenditure is capitalised as an additional cost of property, plant and equipment.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

When assets are sold or retired, their cost and accumulated depreciation are removed from the financial statements and any gain or loss resulting from their disposal is included in the statement of financial activities/comprehensive income.

There are no items of property, plant and equipment acquired in full or in part from the proceeds of a grant.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.6 ***Property, plant and equipment*** (continued)

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in the statement of financial activities/comprehensive income in the year the asset is derecognised.

Where functional items of property, plant and equipment have been donated, they are included in the balance sheet at their fair value at the date of the gift and also included in the statement of financial activities/comprehensive income as an incoming resource. Accounting policies for the valuation of gifts are disclosed in Note 2.17 (d).

2.7 ***Impairment of non-financial assets***

The Council assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Council makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is written down to its recoverable amount. Impairment losses are recognised in the statement of financial activities/comprehensive income as "other operating expenses".

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses recognised for an asset may no longer exist or may have decreased. If such indication exists, the recoverable amount is estimated. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Reversal of an impairment loss is recognised in the statement of financial activities/comprehensive income. After such a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life.

2.8 ***Financial assets***

Financial assets are recognised on the balance sheet when, and only when, the Council becomes a party to the contractual provisions of the financial instrument.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.8 **Financial assets** (*continued*)

When the financial assets are recognised initially, they are measured at fair value, plus any directly attributable transaction costs. Financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables subsequent to initial recognition. Such assets are carried at amortised cost using the effective interest method. Gains and losses are recognised in statement of financial activities/comprehensive income when the loans and receivables are derecognised or impaired, and through the amortisation process.

2.9 **Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand which are classified and accounted for as loans and receivables. The accounting policy for the category of financial assets is stated in Note 2.8.

2.10 **Impairment of financial assets**

The Council assesses at each balance sheet date whether there is any objective evidence that a financial asset or group of financial assets is impaired.

If there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The amount of the loss is recognised in the statement of financial activities/comprehensive income.

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has incurred, the Council considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed. Any subsequent reversal of an impairment loss is recognised in the statement of financial activities/comprehensive income, to the extent that the carrying value of the asset does not exceed its amortised cost at the reversal date.

2.11 **Derecognition of financial assets**

A financial asset is derecognised where the contractual rights to receive cash flows from the asset have expired.

On derecognition, the difference between the carrying amount and the sum of the consideration received is recognised in the statement of financial activities/comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.12 Financial liabilities

Financial liabilities are recognised on the balance sheet when, and only when, the Council becomes a party to the contractual provisions of the financial instrument. Financial liabilities are initially recognised at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using effective interest rate method.

Gains and losses are recognised in the statement of financial activities/comprehensive income when the liabilities are derecognised as well through the amortisation process. The liabilities are derecognised when the obligation under the liability is discharged or cancelled or expired.

2.13 Provisions

Provisions are recognised when the Council has a present obligation (legal or constructive) where, as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision is reversed.

2.14 Deferred income

Income received is recognised at fair value where there is reasonable assurance that the income will be received and all attaching conditions will be complied with. Income received in advance is recorded as deferred income.

2.15 Employee benefits

(a) Defined contribution plans

The Council participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Council makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

(b) Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they accrue to employees. The estimated liability for leave is recognised for services rendered by employees up to the balance sheet date.

2.16 Leases

Operating lease payments are recognised as an expense in the statement of financial activities/comprehensive income on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.17 Incoming resources from generated funds

All incoming resources are included in the statement of financial activities/comprehensive income to the extent that it is probable that the economic benefits will flow to the Council and the amount can be reliably measured. No amounts are included for services donated by volunteers. Incoming resources from generated funds comprise:

Voluntary income

(a) Donations

Such income is recognised when received. All income is demarcated between the Council's General Fund and the Agape Fund. The Agape Fund is registered as an IPC and thus donations requiring tax exemption are credited into the Agape Fund. Non tax-exempt donations are credited to the General Fund.

(b) Grants

Such grants are provided by charitable foundations and provide core funding/are of a general nature. This does not include grants which are specifically for the performance of a service or production of charitable goods.

Such income is recognised rateably over the life of the contract.

(c) Membership subscriptions

Such income is recognised on an accrual basis over the life of the subscriptions.

(d) Donations in kind

Donations in kind are recognised based on an estimate of the fair value at the date of the receipt of the donation of the non-monetary asset or the grant of a right to a monetary asset. The donation is recognised if the amount of the gift can be measured reliably and there is no uncertainty that it will be received.

Activities for generating funds

Proceeds from such activities are recognised in the period in which the event takes place. Any sales of merchandise are accounted for when the transaction occurs.

Interest income

Interest income is accounted for on accrual basis using the effective interest method.

2.18 Incoming resources from charitable activities

This income arises from activities such as talks, seminars and conferences undertaken by the Council in furtherance of its charitable objectives. Proceeds from such activities are recognised in the period in which the event takes place.

2.19 Resources expended

Expenditure is accounted for on accrual basis. Allocations of support costs are based on payroll costs of time spent by staff, or direct expenditure and activity levels, as appropriate. Resources expended comprise:

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.19 Resources expended (continued)

Costs of generating voluntary income

The costs of generating voluntary income are those costs attributable to generating income for the Council, including salaries and directly attributable overheads such as the costs of producing advertising and direct mail materials.

Costs of activities for generating funds

These costs include the direct cost of hosting such activities and all directly attributable overheads. No value is ascribed to goods donated for re-sale or for auction.

Costs of charitable activities

The charitable activities of the Council flow from its vision and purpose. The primary charitable activities are grants given to member organisations to part finance their operational expenditure and programmes and also to parishes to fund charitable projects which are directed to the poor and those in need in the community.

The Council's charitable activities of awarding grants are distributed through a formal grant making process by the Grant and Capacity Building Committee, which reviews and recommends such grants for the approval by the Board of the Council and thereafter the Board of Trustees for any application of funds from the Agape Fund.

The Council's Grant and Capacity Building Committee also reviews and evaluates all funding requests from parishes and their proposed charitable works. The Board of the Council reviews and approves the Committee's recommendations of the grants before they are disbursed in full to the parishes.

Grants to member organisations which have IPC status are applied from the Agape Fund. All other grants are applied from the General Fund. The grants are disbursed in tranches, at the discretion of the Council, to take into account the cashflow requirements of the member organisations.

Grant expenditure is charged to the statement of financial activities/comprehensive income immediately from the point of the award being made, as evidenced by the grant agreement entered into between the Council and the grantee.

Support costs

Support costs are those costs incurred in support of fundraising activities and the awarding and payment of grants. These are an integral cost of carrying out the direct charitable objectives of the organisation. The details of support costs in the statement of financial activities/comprehensive income are disclosed in Note 9.

2.20 Governance costs

Governance costs are those incurred in compliance with constitutional and statutory requirements including related professional fees.

2.21 Depreciation of property, plant and equipment

Depreciation is calculated so as to write off the cost of the assets on a straight-line basis over the expected useful lives of the assets concerned. The principal rates used for this purpose are:

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

2.21 Depreciation of property, plant and equipment (continued)

| | |
|--------------------------------|-----------|
| Computer equipment | – 1 year |
| Donated assets | – 1 year |
| Office equipment and furniture | – 5 years |
| Leasehold improvements | – 2 years |

A full year's depreciation is charged in the financial year of acquisition. No depreciation is charged in the financial year of disposal. Fully depreciated assets are retained in the financial statements until they are no longer in use.

The useful life and depreciation method are reviewed annually to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from items of property, plant and equipment.

2.22 Funds accounting

The funds held by the Council are:

- General Funds are funds that can be used in accordance with the charitable objectives of the Council. Such funds are either unrestricted or restricted. The restrictions arise when specified by the donor or when funds are raised for a particular restricted purpose. One of the restricted funds is an expendable endowment fund called the Capacity Building Fund. The fund was established so that in the long term, the interest income generated from this fund would support the on-going operating needs of the Council. Non tax-exempt donations for the Capacity Building Fund are credited into the General Fund, and usage of the fund requires the approval of the Board of the Council.
- The Agape Fund is made up of tax-exempt donations that can be used in accordance with the charitable objectives of the Council. The Agape Fund also has both unrestricted and restricted funds, the latter which includes the Capacity Building Fund. Tax-exempt donations for the Capacity Building Fund are credited into the Agape Fund and usage of the fund requires the approval of the Board of the Council and the Board of the Trustees.

2.23 Related parties

A related party includes the trustees/office bearers (that is, directors) and key management of the Council. It also includes an entity or person that directly or indirectly controls, is controlled by, or is under common or joint control with these persons. It also includes members of the key management personnel of close members of the family of any individual referred to herein and others who have the ability to control, jointly control or significantly influence by or for which significant voting power in such entity resides with, directly or indirectly, any such individual.

2.24 Current tax

Under Section 13M(1) of the Income Tax Act, all registered charities will enjoy automatic income tax exemption without having the need to meet the 80% spending rule. In other words, they do not need to file income tax returns.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

3. Incoming resources from generating funds

(a) Voluntary income

| | General Fund | | | Agape Fund | | | Total |
|---------------------------------|--------------------|--------------------------------|------------------|--------------------|--------------------------------|------------------|------------------|
| | Unrestricted \$ | Restricted/ Endowment \$ | Total \$ | Unrestricted \$ | Restricted/ Endowment \$ | Total \$ | |
| Year ended 30.9.2010 | | | | | | | |
| Donations | 966,163 | 48,758 | 1,014,921 | 4,472,916 | 17,700 | 4,490,616 | 5,505,537 |
| Membership subscriptions | 2,217 | – | 2,217 | – | – | – | 2,217 |

| | <hr/> | <hr/> |

¹ These are IPC affiliate member organisations of the Council.

² These are non IPC affiliate member organisations of the Council.

³ This is a non IPC organisation.

⁴ The Council provided grants to 24 parishes to fund the parishes' projects for the poor and those in need in the community. The following is a summary of the specific causes, as requested by the parishes, for which these grants have been given:

| | 2010 \$ | 2009 \$ |
|--|------------|------------|
| Financial assistance to individuals/families in crisis | 104,800 | 83,800 |
| Food vouchers/rations to the poor | 38,000 | 2,500 |
| Aid programme to migrant workers | 18,350 | 51,200 |
| Medical clinic programme | 11,600 | 12,800 |
| Soup Kitchen/St Anthony's Bread programme | 31,500 | 60,400 |
| Aid programme to needy students | 28,500 | — |
| General assistance programme for poor and elderly | 30,700 | 27,700 |
| SSVP Conferences ⁵ | 37,750 | 75,100 |
| Assisi Hospice ⁶ | 4,200 | — |
| ACMI ⁷ | — | 10,800 |
| Boys' Town Singapore ⁸ | 3,100 | — |
| IJ Homes and Children's Centres ⁹ | 3,100 | 3,000 |
| St Joseph's Home ¹⁰ | 3,100 | — |
| St Theresa's Home ¹¹ | 3,100 | — |
| Others | 5,000 | 5,000 |
| | <hr/> | <hr/> |
| | 322,800 | 332,300 |
| | <hr/> | <hr/> |

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

7. Grant expenditure in furtherance of the Council's objects (continued)

- ⁵ The Society of St Vincent de Paul (SSVP) seeks to help the underprivileged families by providing financial aid and food rations. SSVP is organised with individual Conferences at 29 parishes. These Conferences are grouped into five particular councils under a National Council. 9 of the parishes have requested and received grants for the benefit of their Conferences. A listing of these conferences and the allocated grant amounts has also been provided to the SSVP National Council.
- ⁶ The Assisi Hospice provides integrated palliative care.
- ⁷ ACMI looks after the welfare of migrant and itinerant people in Singapore, offering them courses on basic life skills, counselling and befriender services.
- ⁸ Boys' Town Singapore cares for youths at risk who primarily come from large, troubled single parent and financial needy families.
- ⁹ IJ Homes and Children's Centres care for children who need protection, those facing emotional crisis or are otherwise at risk.
- ¹⁰ St Joseph's Home provides shelter, care and love for the aged and destitute.
- ¹¹ St Theresa's Home is a voluntary welfare nursing home that seeks to provide quality holistic care for the elderly and aged sick.

8. Governance costs

| | General Fund Unrestricted | Agape Fund Unrestricted | Total |

| | <hr/> | <hr/> | <hr/> | <hr/> | <hr/> |

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

19. Unrestricted funds (continued)

The transfer relates to donations received in prior financial year where donors who had previously not required tax exempt receipts for their donations have now requested for tax exemption. The Inland Revenue of the Authority of Singapore has been notified, and has approved, the change in tax exemption status for these donations.

20. Trustees'/Directors' remuneration

No Trustee or Director has received any remuneration from the Council or Agape Fund during the year and neither has received reimbursements for expenses incurred in attending Board, committee or Trustee meetings.

21. Related party transactions

The following significant transaction took place during the year:

| | 2010 \$ | 2009 \$ |
|-------------------------------------|------------|------------|
| Grant expenditure - CHARIS (Note 7) | 101,174 | - |

CHARIS was established in August 2010 to coordinate Overseas Humanitarian Work and is a related party to the Council in this financial year due to common directors.

22. Employee benefits

| | General Fund Unrestricted \$ | Agape Fund Unrestricted \$ | Total \$ |
|--------------------------------------|------------------------------------|----------------------------------|---------------|
| 2010 | | | |
| Salaries and leave accruals | 16,155 | 342,839 | 358,994 |
| Central provident fund contributions | 1,874 | 39,778 | 41,652 |
| Other short-term benefits | 2,776 | 58,903 | 61,679 |
| | <hr/> 20,805 | <hr/> 441,520 | <hr/> 462,325 |
| 2009 | | | |
| Salaries and leave accruals | 62,252 | 259,727 | 321,979 |
| Central provident fund contributions | 8,198 | 34,201 | 42,399 |
| Other short-term benefits | 15,924 | 66,436 | 82,360 |
| | <hr/> 86,374 | <hr/> 360,364 | <hr/> 446,738 |

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

23. Compensation of key management personnel

| | 2010 \$ | 2009 \$ |
|---|---------------------|---------------------|
| Salaries, bonus and other short-term benefits | 197,500 | 206,200 |
| Central provident funds contributions | 22,950 | 25,728 |
| | <hr/> <hr/> 220,450 | <hr/> <hr/> 231,928 |

There are no employees with emoluments above \$100,000. The above compensation relates to the top 3 executives.

24. Taxation

The Council is exempted from income tax under Section 13(1)(e) of the Income Tax Act, Cap 134.

25. Financial risk management objectives and policies

The Council's principal financial instruments comprise cash and cash equivalents. The main purpose of these financial instruments is to finance the Council's operations. The Council has various other financial assets and liabilities such as other receivables and other creditors and accruals, which arise directly from its operations.

Due to the nature of the Council's activities, it has minimal financial risks exposure. The Finance and Investment Committee provides oversight of the Council's overall risk management and it recommends to the Board of the Council the overall policy pertaining to the Council's cash management and investment. The Council's Directors review and agree to policies for managing each of these risks and they are summarised below:

(a) Interest rate risk

The Council's exposure to interest rate risk arises primarily from the Council's cash at bank. The Council does not place its funds in investment debt securities nor does it use derivative financial instruments to hedge its interest rate risk.

The Council's policy is to obtain the most favourable interest rates available.

Information relating to the Council's interest rate exposure is also disclosed in the respective notes to the financial statements where applicable.

(b) Liquidity risk

Liquidity risk is the risk that the Council will encounter difficulty in meeting financial obligations due to shortage of funds.

Analysis of financial instruments by remaining contractual maturities

The table below summarises the maturity profile of the Council's financial assets and liabilities at the balance sheet date based on contractual undiscounted repayment obligations:

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

25. Financial risk management objectives and policies (continued)

| | One year or less \$ |
|--|--------------------------------|
| 2010 | |
| Financial assets: | |
| Other debtors and deposits | 1,774 |
| Cash and cash equivalents | 9,699,255 |
| Total undiscounted financial assets | <u>9,701,029</u> |
| Financial liabilities: | |
| Creditors and accruals | 130,919 |
| Total undiscounted financial liabilities | <u>130,919</u> |
| Total net undiscounted financial assets | <u>9,570,110</u> |
| | One year or less \$ |
| 2009 | |
| Financial assets: | |
| Other debtors and deposits | 2,675 |
| Cash and cash equivalents | 8,406,432 |
| Total undiscounted financial assets | <u>8,409,107</u> |
| Financial liabilities: | |
| Creditors and accruals | 69,919 |
| Total undiscounted financial liabilities | <u>69,919</u> |
| Total net undiscounted financial assets | <u>8,339,188</u> |

In the management of liquidity risk, the Council monitors and maintains a level of cash and cash equivalents deemed adequate by the Directors to finance the Council's operations and mitigate the effects of fluctuations in cash flows.

(c) Credit risk

Credit risk is the risk of financial loss to the Council if a counterparty to a financial instrument fails to meet its contractual obligations.

The Council's principal financial instruments comprise cash and short term deposits and these are placed with financial institutions of high credit standing and regulated.

NOTES TO THE FINANCIAL STATEMENTS - 30 SEPTEMBER 2010

26. Reserves management

The reserves of the Council comprise the General Fund and CSCC Agape Fund. The Council targets a general reserve level of two years, taking into account that the grant making function represents the majority of its expenditure, and the lag period between member organisations' budgetary needs and the inflow from current year's fundraising activities.

27. Financial instruments

Fair values

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction, other than in a forced or liquidation sale.

Financial instruments whose carrying amount approximate fair value

Management has determined that the carrying amounts of cash and cash equivalents, other debtors and deposits and, creditors and accruals, based on their notional amounts, reasonably approximate their fair values because these are mostly short term in nature.

28. Authorisation of financial statements for issue

The financial statements for the financial year ended 30 September 2010 were authorised for issue in accordance with a resolution of the Directors on 30 November 2010.

CARITAS SINGAPORE LOGO:

- The stylised cross signifies Caritas Singapore as a Catholic organisation.
- The cross also forms an “umbrella” to depict its role as the umbrella body for the Church's charity and community organisations.
- The colour orange represents the light of Christ that radiates through the centre of the cross, the source that inspires and strengthens us all.

A MEMBER OF CARITAS INTERNATIONALIS

Caritas Singapore became a member of Caritas Internationalis in the year 2008.

Caritas Internationalis is a global organisation with 165 national members. It is the largest network of Catholic charities in the world. It is headquartered at the Vatican City, and has representatives at the United Nations in New York and Geneva.

Caritas Internationalis together with its member organisations provide relief, development and social services to 24 million people in more than 200 countries and territories worldwide, regardless of religion, race, gender or ethnicity.
